Statement from Assemblymember Rudy Salas

Sacramento – Assemblyman Rudy Salas (D-Bakersfield) today issued the following statement about the recent death at Glenwood Gardens:

“The death at a local senior independent living facility is both sad and troubling. At present, police and others are conducting investigations, and it is important to wait until we have all the facts. Should the law need to be modified, I have reserved Assembly Bill 633 that can be amended to ensure people are given proper emergency care when they need it.”

Assemblymember Salas represents part of the City of Bakersfield, the cities of Arvin, Avenal, Hanford, Corcoran, Delano, Lemoore, McFarland, Shafter, Wasco, and the communities of Armona, Buttonwillow, Kettleman City, Lamont, Lost Hills, Stratford and Weedpatch.
